

NatWest Carbon Planner

Measure | Evaluate | Act

Carbon Planner: A tool to help you cut your Carbon

Carbon Planner could support you to become a more sustainable, climate conscious organisation, helping you to identify potential cost and carbon savings too

Reducing emissions for your business is challenging. With limited resources and multiple priorities, it can be hard to decide where to focus your efforts. Carbon Planner allows you to **measure your carbon footprint** by answering a few questions, get tailored actions and start building a plan to reduce your emissions and potentially costs.

Why should my organisation reduce their carbon footprint?

By reducing your carbon footprint and becoming more sustainable you can potentially:

- Reduce emissions
- Reduce costs, increase profits
- Improve brand image
- Become more attractive to consumers and potential investors

Our solution

Designed to save you time and guide you on your climate journey, we'll give you the know-how to understand the impact of your day-to-day activities.

- We've worked with trusted partners who are experts in their field
- You'll be able to prioritise actions you could take to reduce emissions
- Easily share data with key stakeholders to help influence change

- There's support available which could give you ideas about how you could run your business more efficiently and realise cost savings
- Signposts to resources, services and products to help you plan for a more sustainable future
- Gain more confidence in your climate action decisions
- Inspire your workforce to get behind a bespoke action plan and integrate climate into your day-to-day activities

Who's it for?

Carbon Planner is a free tool, available for all UK businesses.
